## FINANCIAL POLICY

In order to reduce any confusion and or misunderstanding between our patients and the practice, MedComplete has adopted the following financial policy. We are dedicated to providing the best possible care and service to you and regard your complete understanding of your financial responsibilities as an essential element of your care and treatment. If you have any questions or concerns about the policy, please discuss them with our office manager.

As a patient of MedComplete, I hereby understand and agree to the following:
**Please initial each paragraph**

_____ MedComplete will make arrangements with my insurance company and will submit an insurance claim for services rendered. Any copayments will be collected on the date of service. I agree to have my insurance company pay MedComplete directly and any deductible, co-insurance or unapproved procedures will be invoiced to the address I have listed above. I understand that if my insurance company does not pay MedComplete, I am responsible to provide MedComplete payment in full and that if I receive an invoice from MedComplete payment is due immediately upon receipt of that invoice.

_____ I am financially responsible for all charges concerning my care and treatment. Full payment is due at the time services are rendered including services such as cosmetic consultations and procedures. As a courtesy, MedComplete may forgo requiring my complete payment at the time of services. For my convenience, MedComplete will accept Visa, MasterCard, American Express, Discover, Care Credit and check or cash as forms of payment.

_____ I understand and agree that if I have insurance coverage with a plan that **DOES NOT** have a prior agreement with MedComplete, complete payment for my care and treatment is due at the time of service.

_____ All health plans are not the same and do not cover the same services. I understand and agree that in the event my health plan determines a service is “not covered” I am responsible for the complete payment of the service.

*Returned checks are subject to a $35 fee.

**I have read and understand the financial policy of MedComplete and I agree to be bound by its terms. I also understand and agree that such terms may be amended from time-to-time by the practice.**
